**IMPORTED CALROSSIE PRINCE PETER**

The purchase of Calrossie Prince Peter, 1940 Supreme Champion, at Perth, Scotland, is next to the establishment of the herd itself, the outstanding even in the history of Miles-of-View Shorthorns.

Calrossie Prince Peter was sired by Calrossie Randolph by Calrossie Grand National. Calrossie Grand National is by Calrossie Control. Calrossie Randolph sired the winning group of five bulls and the winning group of three bulls at the Perth 1940 Show. He also sired champion females at the Scotland shows. Calrossie Prince Peter is out of the dam Princess Mona by Naemoor Ian. This remarkable cow, a dark even roan, is the dam of three Perth Supreme champions, Calrossie Control, (1933), Calrossie Royal Emblem, (1930), and Calrossie Prince Peter, (1940). No other cow has ever produced more than one Perth Supreme champion. The reader will note that Calrossie Control, which is the great grandsire of Calrossie Prince Peter, is also out of the same dam as Calrossie Prince Peter. Calrossie Mercury, 1938 Perth Champion, (Edellyn Farms), and Calrossie Prince Peter are the only two Perth champions ever to come to the United States.

Calrossie Prince Peter is a dark, even roan, with a good head and looks the part in style and character which has been associated with Perth champions. Frank W. Harding, who made the purchase for Miles-of-View Farms, was given instruction to buy the Perth 1940 Supreme Champion provided he was the best bull available in Scotland. Walter Biggar and William Garne, breeders known to the Chicago International as judges, did the bidding for Mr. Harding, who, due to the war, was unable to be in Perth where he had been asked to judge. Biggar and Garne made the rounds of the Scotch herds before the sale and decided on sale day Calrossie Prince Peter was the bull to buy. He was bid in at 1650 guineas (\$7,000.). War insurance, shipping, and other charges, will see his cost approximately \$8,500. "laid down" in Kansas City. Calrossie Prince Peter was due at a "certain Canadian port" the last of March, as this material is being prepared. He may be at Miles-of-View Farms by sale date.

The Farming News and North British Agriculturist, reporting the sale on February 14, said: "Particular interest attached to the selling of the October-November bulls as they included the champion. His coming into the ring created a stir. His owner declared that he was the best made bull he had ever produced. Champion Calrossie Prince Peter will just about be the best bull bred and shown by Calrossie."

## IMPORTED SCOTSTON AIRMAN 1873325

The top selling bull in the International sale of 1936. He comes from the Scotston herd owned by Major W. B. Robertson, Dunfermline, Scotland. He is by the great bull Balcairn Boleta by Naemoor Gaffer and is out of Augusta Esta by Collynie Royal Escort by Calrossie Blythe Prince. Calves of this bull are uniformly low-set, thick, and blocky, and practically all of them are a deep solid red. Eight bulls and nine of the heifers in this sale are sired by Imported Scotston Airman.

Miles-of-View Farms is both a Kansas and Missouri purebred Shorthorn establishment. The Farms consist of four hundred fifty acres, half in Kansas and half in Missouri, and lie ten miles south of the city limits (78th Street) of Kansas City, at what would be 140th Street and State Line road. It is one mile north of Kenneth, Johnson County, Kansas, and one mile west and a half a mile south of Martin City, Missouri.

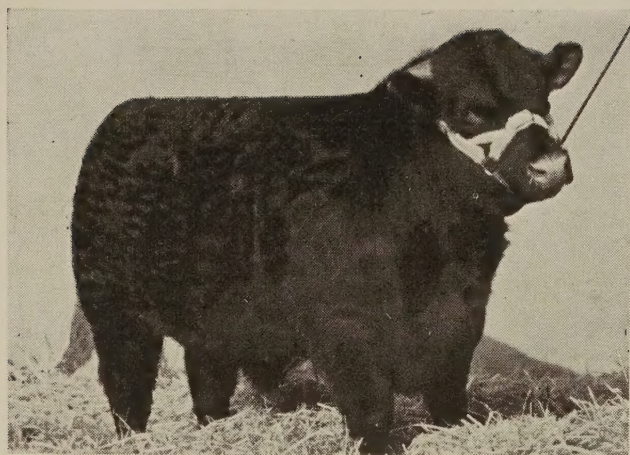

The Miles-of-View purebred herd is composed of one hundred (all ages) highly bred Scotch Shorthorns. The policy in handling this herd, from the first purchase, was to add no female that was not calculated to improve the herd as a whole. Results, we think, have been outstanding. One of the first cows purchased was Carmen, the outstanding granddaughter of the great bull, Prentice. She came from Bluemont Farms. She dropped a bull calf in 1933, the first calf born at Miles-of-View. This calf was Gainford Marshal, who became the International Grand Champion of 1937. Each year since 1932 has brought a few more top sale and show heifers from the greatest of breeding establishments, Edellyn Farms, Raveni Farms, Robinwood Farm, Helfred Farm, Sni-a-Bar Farms, Anoka Farm, Maxwalton, Conner Prairie, Morlunda, and Tomson Brothers.

In the Miles-of-View herd is the 1936 Junior Champion, Helfred Verbena 3d, and other cows of similar worth. From one of these original purchases came our famous Secret family, one of which was the 1939 American Royal and International Grand Champion, Miles-of-View Secret. We have striven for one type of compact, blocky, low-set dams.

These prize winning and top heifers have gone straight into the breeding herd. An example of these year-to-year purchases may be cited in the 1939 top sale purchases: Joan 14th, Tomson Bros. American Royal junior champion; Raveni Augusta 12th, top of Dorsey Jones sale; Robinwood Clipper, top of Conner Prairie sale; Maxwalton Nonpareil, top of Maxwalton Farms sale; Augusta Maid of Morlunda, top of Morlunda; Sni-a-Bar Ethel, top bred heifer of Sni-a-Bar sale. It is from such dams as these that the Miles-of-View show herds the last few years have been making enviable records.

The bulls have been as carefully selected. We have been using a senior herd bull,

## **Miles-of-View Airman**

Our Junior Herd Bull  
by Imp. Scotston  
Airman, out of  
dam of Red  
Crown

Imported Scotston Airman, top of the International sale of 1936. His first crop of thirteen calves were sold at a sensational auction in Chicago by Anoka Farm which was practically dispersing its herd. Cows bred to Scotston Airman, and those with calves at foot, brought the highest average in ten years. Several imported cows, whose calves by Scotston Airman attracted such attention, are now in the Miles-of-View herd, among them the dam of the ten months old bull calf by Scotston Airman which sold to the Gregg Farm for \$1,500.

An International Grand Champion heifer is a greater cow when she is a proved breeder. Miles-of-View Secret has a beautiful solid red calf, born March 7, 1940. The sire is our junior herd bull, Miles-of-View Sultan, by the International Grand Champion, Sultan Browndale.

Another Secret calved March 1, 1940, is a full brother to the 1939 champion. He is Rodney's Best, a solid red, compact, short legged fellow with a grand head. His sire is Sni-a-Bar Rodney, our first herd bull, and his dam is Star Secret by Brown-dale Pilot.

We were unfortunate in losing Imported Scotston Airman last summer during the hot weather and since that time have been using Red Crown, the high standing show bull, and Miles-of-View Sultan, son of Sultan Browndale, International Grand Champion. Anticipating the arrival of the Perth Supreme Champion, Calrossie Prince Peter, purchased for 1650 guineas, February 14, we are now offering for sale these two tried bulls. Calves at the farm will testify to their superior blood. For a junior herd bull, we shall shortly begin using a great son of Imported Scotston Airman, Miles-of-View Airman.

The herd is entirely free of contagious abortion and also free of tuberculosis. There are neither suspicious nor reacting cows in the herd.

In charge of the herd is James Reid, formerly chief herdsman of Sni-a-Bar Farms, and widely known among Shorthorn breeders.

Visitors always cordially welcome.

## Red Crown

If you are looking  
for a proved  
herd sire.

Anticipating the arrival of our 1940 Perth Supreme Champion, we are able to offer this fine breeding and show bull, Red Crown, as a proven sire. He has an extra strong head, deep body, and short legs, with a very thick smooth covering of flesh. He has been shown two years and stood at the top, or around the top, wherever shown, including the Royal and the International. He is out of a great breeding cow by Sni-a-Bar Pretender by Prentice. His sire was a show bull, first in class at the Royal and top selling bull at Sni-a-Bar's 1937 sale. We have a crop of calves by him at the farm that recommends him as one of the top breeding bulls of the country.

## Miles-of-View Sultan

A son of the great  
Sultan Browndale.

Another proved sire will be offered at this sale. We carry between 50 and 60 matrons and expect to use Calrossie Prince Peter, Perth champion, very heavily. This is the only reason two sires, with calves to prove their worth, can be offered at this sale. Miles-of-View Sultan is solid red, with a great head and is out of a solid red cow, one of the very top cows in the herd. This bull never has been fitted for show as we have been using him as our junior herd sire. We are getting h's first calves now. You cannot go wrong on this bull. His sire was the 1935 International Grand Champion, Sultan Browndale, and his dam, Edellyn Clipper, is by the all American junior yearling, Raveni Leader.

## Golden Airman

A real show bull  
for this summer.

Golden Airman is a beautiful roan, and one of the very top bulls by Imported Scotston Airman. He will do well in the show ring this summer, and will make a top herd sire. He is just the right age to start using. He is extremely well fleshed, carrying his width through. He is low set and stands square on four legs, has lots of bone, and carries well down in his quarters. He has about all you want in a bull, both in pedigree and individuality. Besides the son a great imported sire, he is out of a champion dam, Helfred Verbena 3rd, by Sni-a-Bar Golden Ring. She was a winning yearling junior champion at Denver and Fort Worth, and stood first in class at the Royal, and second at the International. Study this pedigree.

## Miles-of-View Rodney

A great individual with  
a fine pedigree.

Miles-of-View Rodney by Imported Scotston Airman and out of a heavy milking cow carrying the blood of Rodney, Maxwalton Revelanta and Sni-a-Bar Governor. This is a good solid red bull, with a perfect head, and he will make a top herd sire. He is very low set, carrying down extra deep in his hind quarters. He is a bull of great bone, with few faults, if any. His dam is a real cow, also solid red. She is a very heavy milker, giving around six gallons of milk when fresh. If you are looking for a red herd sire, of real blood as well as a real individual, look this over carefully.

This beautiful heifer is solid red and is close to calving. She is by an imported bull, and will make a top cow in any herd. There is no better pedigree than this Shepard Rosemary offers. Suggest a close study. # Bluemont Farms

**BLUEMONT FAVOR**

A bull you will like. He is correct in breeding, type, quality, flesh, color and disposition. His sire, Sni-a-Bar Claymore, is half brother to Sni-a-Bar Ensign, 1933 International Champion through his sire and to Sni-a-Bar Gypsy King, sire of the only Shorthorn grand champion steer at the American Royal through his dam. His grandsire, Marshal Rodney, was the sire of the 1937 International Grand Champion, Gainford Marshal. The next two sires in his pedigree, Scottish Gloster and Marshal's Crown, were two of the best bulls ever produced by Tomson Brothers, both retained as herd bulls. Bluemont Favor will be mated at Roanridge with the best cows from Bluemont Farms.

The herd of Shorthorn cattle developed at Bluemont Farms, Manhattan, Kansas, has been transferred to Roanridge, a recently purchased 320-acre farm six miles north of Parkville, Missouri, fourteen miles northwest of Kansas City, just east of Highway No. 71.

The foundation for Bluemont Farms came from the best Shorthorn farms of America. It has been our policy to emphasize utility. The herd is maintained as a farm unit. No nurse cows are needed. No cattle fitted for show. Cows, to secure a permanent place in the herd, must be well bred and conform to the most accepted beef type, yet give more milk than their calves can take to be retained.

We are particularly proud of our record. In twenty years of operation and distribution of surplus we have no knowledge of a dissatisfied customer. Cattle produced at Bluemont Farms can be found in some of the most noted herds in America. The 1937 undefeated bull, Gainford Marshal, shown by Mathers Brothers was bred at Bluemont Farms. The heifer Fanciful which has been such a consistent winner for Sni-a-Bar Farms is out of a Bluemont cow. Bluemont bulls are giving satisfaction in pure-bred herds. J. F. Brown, Folsom, New Mexico, whose Shorthorn steers have been shown successfully at the International took our 1939 bull calves, a repeat order.

The herd has been strengthened during the past year by the importation of a heifer bought on order by F. W. Harding from James Durno, Uppermill Farms, Tarves, Scotland Her sire is a son of Calrossie Control. She is bred to Calrossie Sweepstake by Calrossie Randolph, the sire of Calrossie Prince Peter, the new Miles-of-View herd bull. Other additions were a Rosewood and a Marigold from Sni-a-Bar Farms and an Augusta from Merryvale.

It will be our policy to add an occasional female at Roanridge to retain breeding cows of correct type, quality and usefulness and to use herd bulls of real merit and of popular breeding.

The two cows with calves at foot and the nine heifers of this consignment can be added to any herd with definite assurance of satisfaction to purchasers.

The pictures from which the cuts in this catalog were made were taken early in February when the sale consignment was first selected. Prospective buyers can be assured that the cattle, due to three months fitting, will be in better condition than the pictures indicate. They have been under the capable management of Neil Wishart, Manhattan, Kansas.

W. A. COCHEL

## Blueмонт Lovely 8th

A most promising heifer  
from a substantial  
family.

Blueмонт Lovely 8th, another Sni-a-Bar Baron's Pride heifer, is from one of the best and most productive families. Four generations of Blueмонт breeding on a Tomson and Bellows foundation. Splendid head, excellent type, outstanding quality, solid color. A little more fitting would make a show heifer. Our Lovely's are all of a strong rugged type with well developed udders which insures early maturity and excellent fleshing.

## Cherry Bud

Wearing her winter coat in February.

This short legged, deep bodied heifer, a splendid kind, is from the family that produced Gainford Marshal. She is a better heifer than her picture indicates. She should develop into a breeding cow of real merit. The Cherry Blossoms have been our most prolific and profitable family.

## Lovely Maid 11th

Top quality and breeding,  
you'll like her.

A Sni-a-Bar Claymore heifer out of a Marshal Rodney dam is certain to develop into a thick, deep bodied cow with the quality and type most sought for. A good head and a dependable family give added assurance. She ran in pasture with her dam until November. Three months of fitting since picture was taken has resulted in real improvement.

## How to Get to Miles-of-View Farms

The routes to Sni-A-Bar Farms and to Roanridge, where the Bluemont Farms herd of Shorthorns will be moved, is also shown on the map below,

Miles-of-View Farms, Sni-A-Bar Farms, Roanridge, Merryvale Farm and Gregg Farms are all within thirty miles of Kansas City. On these farms more than 1,000 head of high quality, pure bred Shorthorns of all ages, representing the best breeding in America, may be found. The herd bulls are outstanding.

In addition to these herds Shorthorns are a chief source of income on hundreds of farms in this area. Many of these farm herds are headed by sires selected from the above named herds. Nowhere else in America could so many Shorthorns of like merit be found within the limits of a day's drive.
